Den Focus! Wolves

The Wolves were busy this month working on their Tools for Fixing and Building achievement. The boys learned about tools while building a Bug House. This achievement was worked on to prepare them for working on their Regatta Boats. The wolves also went on a hike around Pickerel Lake to learn about their Living World and to look for bugs! Thanks for all the great parent support!

Hometown Holidays: December 4-6 Main Street Luminaries

Save your milk jugs!!

Each year, scouts participate in Chelsea's Hometown Holidays events by assembling, setting out, and lighting the luminaries that light Main Street. This project needs lots of empty (rinsed) plastic gallon milk cartons, so please start saving them now. Look for more info on this project in the November newsletter.

Blow, Blow, Blow Your Boat!

The Raingutter Regatta Race is Saturday night at North Creek Cafeteria. Scouts should arrive at 6:45 PM. The race is from 7-8 with refreshments following presentation awards. Grandparents, friends, other family members are welcome to come cheer on your Cub Scout!

Sight Night

October is the month for the boys to collect used eyeglasses. The eyeglasses and non-prescription sunglasses will be cleaned, repaired, classified by prescription, hand delivered and fitted to men, women and children in developing countries who need glasses and cannot afford to buy them. Each Den can combine their collection and drop off at Cole Funeral home after Halloween. A drop box will be outside the front door. Each Den should also keep track of the following – # pairs collected, # scouts & adults participated, and # hours of participation - and report to Beth Timmerman at beth.timmerman@sbcglobal.net

If you have any questions, please contact Beth.

Popcorn Time

Next time, we'll continue our legendary "Cream-a-Leader" incentive. If you sold \$375 in popcorn / magazines, you've earned the right to launch a cream pie into the face of a semi-willing Pack leader! Don't miss the next Pack Meeting.

Den Focus! Webelos II

Webelos II Scouts have been very busy since summer. After enjoying the Webelos resident camp, we were invited to a fishing trip with Troop 425. Several bass and bluegill were caught and cleaned.

We then went to Toledo, OH to the fossil park, where we dug in dirt to find several fossils of brachiopods (clam-like bivalves), crinoids, corals, and trilobites.

Troop 413 and Troop 476 invited us to visit their camps at Munhacker during the fall color hike.

We also had fun learning to play volleyball and Ultimate to earn those beltloops.

We also practiced skits for an audience at Towsley Center.

Coming up we will go to Pokegon State Park in Indiana to slide down their refrigerated toboggan run, we'll help set up the Haunted Woods at Camp Munhacker for October 24, and we'll go to the Hands On Museum to earn our scientist pin.

Lots going on as the Webelos are preparing for crossing over to Boy Scouts in February 2010!
